Re: Extension Request for Review Comments, McFarland & Hullinger, SI02 1-6 Mine,
M/045/046, Tooele County, Utah

Dear Mr. Hullinger:

On April 4, 2000, the Division sent our initial review comments to you regarding the Notice of Intention to Commence Large Mining Operations for your SI02 1-6 mine. The Division requested that you respond by May 15, 2000 to these deficiency comments. In our telephone conversation today, you requested a 30-day extension for McFarland and Hullinger to reply to these deficiency comments. The Division honors your request and grants your extension to June 15, 2000.

Thank you for your cooperation in finalizing this permitting process. We are desirous to complete this process so we can issue final approval for your project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Munson'.
